Karnataka Anna Bhagya Scheme 2026: 10 Kg Free Rice per Person

What is Karnataka Anna Bhagya Scheme?

Karnataka Anna Bhagya Scheme is a flagship food security scheme of the Government of Karnataka. Under the scheme, eligible ration card holders receive a total of **10 kg of food grains per person per month**, including the entitlement under the National Food Security Act (NFSA) and the state's additional benefit. If additional rice is temporarily unavailable, the government may provide the equivalent amount through Direct Benefit Transfer (DBT) as per prevailing guidelines.

Key Benefits

- Up to **10 kg of food grains per person per month**.
- Improves food security for low-income families.
- Benefits provided through the Public Distribution System (PDS).
- DBT support may be provided if food grain distribution is disrupted.
- Helps reduce monthly household food expenses.

Eligibility Criteria

- Applicant must be a permanent resident of Karnataka.
- Must possess a valid **BPL, AAY, or PHH ration card**.
- The ration card should be linked with Aadhaar where required.
- Benefits are available only to eligible NFSA beneficiaries.

Required Documents

- Aadhaar Card
- Karnataka Ration Card
- Residence Proof
- Mobile Number
- Aadhaar-linked Bank Account (for DBT, if applicable)

How to Avail the Benefits?

1. Obtain a valid BPL, AAY, or PHH ration card.
2. Ensure Aadhaar and bank account details are updated.
3. Visit your nearest Fair Price Shop (FPS) every month.
4. Complete biometric authentication.
5. Collect the allotted food grains or receive DBT if applicable.

Conclusion

Karnataka Anna Bhagya Scheme 2026 continues to strengthen food security by providing free food grains to eligible families. The scheme helps economically weaker households meet their essential food requirements while reducing their monthly expenses.
